

Dear Elm Park Homeowners,

The Elm Park Board of Directors and Management will be handing out new gate remotes next week on Wednesday and Thursday, December 21st and 22nd at the pool area from the hours of 3-7pm on Wednesday and 5-7pm Thursday. There will be a brand new gate system installed once the remotes are dispersed! Please join us on these days and make sure to bring your old remotes to switch out with the new ones. After the first two, each gate remote will be \$50.00 each. If you are not able to come out on these days, the gate remotes will be available for pickup at our Ontario office, 3200 E. Guasti Rd, Suite 100 | Ontario, CA 91761. Thank you!
