- I will drive slowly and carefully through the property and remind my guests to do the same.
- I will always keep my dog on a leash while walking through the community, and I will pick up after my pet every time.
- I will read the newsletters to keep up on what's happening with the Association, and will try to attend a couple of meetings this year.
- I will return my ballot for the election, so we have quorum.
- I will complete my backyard and send in the Notice of Completion for approval.
- I will report any problems with the Common Area as soon as I spot them.
- I will be a courteous neighbor and remember that noise travels.

CHRISTMAS TREE RECYCLING

The City of Rialto would like to remind the community that Christmas trees can easily be recycled after the holiday season. Simply remove all ornaments, tinsel and tree stands and put the tree out on the curb on your regular trash pick up day. The trees will be picked up the two weeks following the holiday for recycling. Also if your tree is taller than 6 feet, you must cut it in half to allow for easy pick up. Flocked trees or trees coated with fire retardant will also be picked up but cannot be recycled.

If you have any questions or concerns about Christmas tree recycling, please contact Burrtec at 909-877-1596 or www.burrtec.com.

TRASH CANS

All trash cans need to be stored out of common area view or neighboring lots when not on the curb for trash pick up. Trash cans are to be set out no more than 12 hours before pickup and stored no more than 12 hours after pickup.
