

## Elm Park Community Association

June 1, 2022

Dear Elm Park Community Association Homeowner:

We were not able to hold the Annual Meeting and Election that was scheduled for Wednesday, April 20, 2022, as we still had less than the required twenty-five percent (25%) or 33 out of 130 Members present in person or by ballot.

Therefore, the current Board will remain in place until the next Annual Meeting, scheduled for April 2023. At that time five (5) positions will be up for re-election.

Sincerely,

At the Direction of the Board of Directors,  
Elm Park Community Association
